**Buchheit Logistics Pet Policy:**

1. Full-time Company OTR Drivers eligible.
2. Buchheit Logistics Management must approve of the pet prior to any pet being allowed into Buchheit Truck. This form must be signed prior to any approval of pet in Buchheit Truck.
3. Pet deposit of \$250 to be built up in addition to primary company escrow plan.
4. \$250 pet deposit must be paid in full prior to pet being allowed in truck.
5. No advances will be given against pet deposit.
6. Only one pet allowed (no larger than 40 lbs.), and cannot be livestock (i.e. goats/sheep/exotic).
7. A current shot record must be provided. Cats should be de-clawed.
8. Pets are not allowed to leave the truck while at any customer owned facility.
9. When truck is being serviced no pet is allowed to remain in the truck.
10. When driver requires extensive maintenance or repair, or driver leaves truck at the terminal for any reason, (vacation, changes trucks or terminates) he/she will be required to clean the truck out.
11. If there is damage or cleaning is required as a result of the pet, the driver will lose up to and including his pet deposit. The driver may be charged for items replaced due to pet damage and/or \$50 per hour required by Buchheit personnel to clean truck due to the pet being in the truck.
12. Deposit will only be returned upon driver not being employed with Buchheit Logistics or pet not being in truck any longer.

\*Exceptions may be made only by Buchheit Operations Manager or Company President.
