Buchheit Trucking Service Inc -- S.W.H. Permit 3864-6, Modification 000
USEPA Waste Handling ID -- MOR000000976
For Special Waste Hauling -- 25

Dear Mr. Buchheit:

Special Waste Hauling Permit 3864-6 Modification 000 is hereby issued to Buchheit Trucking Service Inc to engage in special waste hauling in the State of Illinois. In accordance with this Special Waste Hauling Permit, Buchheit Trucking Service Inc may utilize the vehicles, tanks, and equipment enumerated in the complete Special Waste Hauling Permit Application dated June 22, 2020, received August 10, 2020, and consisting of 3 pages. A copy of the Special Waste Hauling Permit Application is hereby incorporated by reference.

This Special Waste Hauling Permit is issued subject to the standard conditions set forth on pages 5 and 6 of this permit, attached hereto and incorporated herein by reference, and is further subject to any additional conditions, including the terms of this letter.

This Special Waste Hauling Permit, issued August 10, 2020, is valid from August 10, 2020, to and through September 30, 2023, for all registered vehicles identified in the application. No special waste hauling may be conducted in any vehicles, tanks or other equipment that are not enumerated in the Special Waste Hauling Permit Application dated June 22, 2020, and this permit dated August 10, 2020, unless a written request to modify this permit is submitted to the Agency, and a written approval of such proposed modification is issued.

In accordance with 35 Ill. Adm. Code 809, et seq., upon issuance of a special waste hauling permit, the owner and/or operator of any vehicle used to transport special waste shall maintain within the vehicle a legible photocopy of the special waste-hauling permit. Issuance of the special waste hauling permit shall be disclosed by the owner and operator of the vehicle to any representative of the State of Illinois, any generator of the special waste, or any treatment storage, or disposal facility which has handled, is handling or will handle the special waste. Upon request by such representative, the owner and operator of the vehicle for review shall make the photocopy available. The owner/operator of the vehicle shall also comply with any otherwise applicable federal regulations.

If you have any questions, please contact Becky Jayne at either Becky.Jayne@illinois.gov or (217) 524-9642.

Sincerely,

James Jennings, Manager

**STANDARD CONDITIONS FOR SPECIAL WASTE HAULING PERMITS ISSUED BY THE
ILLINOIS ENVIRONMENTAL PROTECTION AGENCY**

The Illinois Environmental Protection Act (415 ILCS 5/5, 10, 13, 22 and 27) (Act) and 35 Ill. Adm. Code 809 (Part 809) grant the Illinois Environmental Protection Agency the authority to impose conditions on permits that it issues.

These standard conditions will apply to each Special Waste Hauling Permit that the Agency issues. Special conditions may be imposed in such permits in addition to these standard conditions.

1. All special waste hauling covered by this Permit must be conducted in strict compliance with applicable Federal law and regulations, the Act, rules adopted by the Illinois Pollution Control Board including, but not limited to, Part 809, this Permit and all conditions thereof. **Haulers must have a USEPA ID number as a transporter before hauling RCRA or TSCA hazardous waste.**
2. No special waste hauling may be conducted in any vehicles, tanks or other equipment that are not enumerated in the application for permit, unless and until a written request for modification is submitted to the Agency and the Agency issues a written approval of such proposed modification.
3. The permittee(s) shall allow any agent duly authorized by the Agency upon the presentation of credentials:
 - a. to enter at reasonable times the permittee(s)' premises or those of any other person where any activity is to be conducted pursuant to this permit;
 - b. to have access to and copy at reasonable times any records including, but not limited to, manifests, are required to be kept under the terms and conditions of this permit or pursuant to the requirements of Part 809;
 - c. to inspect at reasonable times, including during any hours of operation of vehicles, tanks or other equipment operated under this permit, such vehicles, tanks or other equipment permitted to be operated under this permit;
 - d. to obtain and remove at reasonable times samples of any discharge or emission of pollutants and samples of any special waste being hauled;
 - e. to enter at reasonable times the permittee(s)' premises or any vehicles, tanks or other equipment registered under this permit and utilize any photographic, recording, monitoring or other equipment for the purpose of preserving, testing, monitoring or recording any activity authorized by this permit; and
 - f. to have access to any manifest or other shipping document authorized under Part 809 while such manifest or other shipping document is accompanying any special waste shipment.
4. The issuance of this special waste hauling permit:
 - a. will not be considered as in any manner affecting the title to, or ownership of any vehicle, tank or other equipment permitted to be used under this permit;
 - b. does not release the permittee(s) from any liability for damage to person or property caused by or resulting from the operation of any vehicles, tanks or other equipment permitted under this permit;
 - c. does not release the permittee(s) from compliance with other applicable statutes and regulations of the United States, of the State of Illinois, or with applicable local laws, ordinances and regulations;
 - d. does not take into consideration or attest to the structural stability or safety of any vehicles, tanks or other equipment permitted to be used under this permit; and

Illinois Special Waste Hauling Permit Standard Conditions

- e. in no manner implies or suggests that the Agency for its officers, agents or employee(s) assumes any liability, directly or indirectly, for any loss due to damage or operation of any vehicle, tank or other equipment permitted to be used under this permit or due to any activity authorized by this permit.
5. All vehicles and tanks registered herein must be clean and in good repair at all times when employed in hauling, special waste.
6. All vehicles, tanks and associated piping, valving, etc. used in special waste hauling must be constructed and maintained to prevent leakage and spillage and be cleanable.
7. All special waste loading, hauling and unloading must be conducted in a safe and environmentally sound manner and in accordance with all applicable State and Federal law and regulations.
8. All equipment and procedures used in special waste hauling must be proper for the permitted service; be safe for the haulers, handlers and others, and meet the requirements of all applicable State and Federal law and regulations.
9. No waste may be mixed with other wastes in one tank or on one vehicle if such mixture results in a combination likely to cause explosion, fire, or release of a dangerous or toxic gas; or be in violation of any applicable State or Federal law or regulation.
10. The permittee(s) shall not haul or otherwise transport any special waste generated within Illinois or any special waste to be disposed, stored or treated within Illinois unless that special waste is accompanied by a properly completed and signed manifest, in accordance with the requirements of Subpart E of Part 809, unless such special waste is exempted from the manifest requirements pursuant to applicable Federal or State law or regulations.
11. The permittee(s) shall not alter, modify or otherwise change any manifest without the specific authorization of the deliverer of the special waste being hauled.
12. The permittee(s) shall not deliver or cause the delivery of any special waste for disposal, storage, or treatment except to a site or facility which has been designated by the deliverer of the special waste and which site or facility has a permit to accept such waste for disposal, storage, or treatment, as well as all applicable permits as required by the Act and rules adopted thereunder by the Illinois Pollution Control Board.
13. The Agency may file a complaint with the Board for suspension or revocation of a Permit:
 - a. upon discovery that the Permit application contained misrepresentation, misinformation, or false statements, or that all relevant facts were not disclosed; or
 - b. upon finding that any standard or special condition of this permit has been violated; or
 - c. upon any violation of the Environmental Protection Act or any Rules effective thereunder as a result of the activity authorized by this Permit.
14. This permit may be modified or revised to incorporate such permit conditions as are necessary for the State of Illinois to implement or enforce regulations promulgated pursuant to Subtitle C of the Resource Conservation and Recovery Act of 1976, as amended.
